GEORGES HIGHLAND PATH

A Unique System of Trails

The 50+ miles of the Georges Highland Path are built primarily on privately owned land thanks to handshake agreements. Please respect the rights of these generous landowners during your visit. Without their participation, this trail system would not exist.

The Georges Highland Path has been described as a “hikers hiking path” and the maintenance standard aligns with a desire to provide a back country experience within minutes of the busy towns of midcoast Maine. Expect tree roots, rocks to scramble over, wildlife, and a wonderful time!

Thanks to our sponsors and contributions from people like you, we are able to keep these trails available to all who seek the inspiration and solace of the natural world.

Thank you to our 2016 Trail Blazer sponsors. Their support is critical to the success of the Georges Highland Path.

GEORGES RIVER LAND TRUST

Our mission is to conserve the ecosystems and traditional heritage of the Georges River watershed region through permanent land protection, stewardship, education, and outdoor experiences.
